

REMARKS

Allowed claims 1, 4, 5, 7-11, 14-16, and 18-20 remain pending in this application.

Claims 1, 11, and 20 have been amended to correctly reflect the changes proposed by applicant.

First, the dependency of claims 11 and 20 were changed to claim 5 by applicants' last proposal emailed to the examiner on 08 November 2010.

Second, the examiner inadvertently maintain the language "wherein at least some of the loudspeaker elements contained in one of the rows of one of the loudspeaker blocks are also part of another of the loudspeaker blocks." Note that this language was proposed in applicants' earlier proposals emailed to the examiner on 05 November 2010. In applicants' last proposal, this wherein clause was deleted and replaced with the remaining wherein clauses per the discussion with the examiner. Please see the applicants' last proposal.

The changes made herein are required to correct inadvertent errors contained in the Examiner's Amendment, and require no substantial amount of additional work on the part of the PTO. Neither new matter nor new consideration/issue has been presented.

Applicants respectfully request that this Amendment be entered. The Issue Fee has not been paid yet.

Should the examiner have any issues concerning this reply or any other outstanding issues remaining in this application, applicants urge the examiner to contact the undersigned to expedite prosecution.

Respectfully submitted,

ROSSI, KIMMS & McDOWELL LLP
